Club Player Development Pass Instructions

NOTE: The team manager/coach of the player's current team must initiate the process and assign the player to the team with which the player will be club passing.

This means that the team wishing to use a club pass player must contact the manager or coach of the team to which the player is rostered in a timely fashion.

1. To assign a club pass player, you must be rostered to the team as a head coach, assistant coach, or team manager, and you must have a user name and password.

After logging in, you will be on your My Account page. (If you see a Welcome message, click on the My Account button at the upper left to reach your My Account page.) You should see all the teams with which you are associated, and you will have links to all the teams to which you are properly rostered.

2. In the "Tournament Applications / Game Scoring" section, click on the "**EDIT**" hyperlink next to the name of the team that will be lending the club pass player.

Team	Tournament
Atletico San Pancho 0442-01CB15-0127	2011 Los Angeles Futbol Circuit Fall League Status: New Submitted on 8/9/2011

3. The next page will present several tabs across the top of the page. Click the "***Player Roster***" tab.

4. Scroll to the right and you will see "***Assign***" listed next to each player's name, click the assign link next to the player you wish to assign

Assignment List of the Player

Team Assigned To	Game	Status
This Player has not been Assigned to other teams.		

Note: On this page, the system will keep track of all assignments for particular players. It will also keep track of any players that were assigned to your team during the season.

- The club pass player, labeled (*DEV*), will appear on the game day lineup sheet for that specific game, and will be available to be added into the D&P items of any game day incidences that might occur during his/her participation with this team.

- Should the addition of a club pass player to your game day roster put it over the maximum number of players allowed; you will need to deactivate players. Under the Player Roster tab, in the "Active?" column, uncheck as many boxes as needed to adjust the number of players on your game day roster, then click the "Set Active Players" button at the bottom.

Note:

--The jersey number of the club pass player does not move over to the accepting team's game day lineup sheet. It must be handwritten on the sheet.
